MAHSA Avenue International College

MAHSA Avenue International College (MAIC), a subsidiary of the MAHSA Education Group, is a leading private higher education institution in Malaysia. We offer a diverse range of MQA-accredited programmes, including certificates, diplomas, and SKM-certified courses in Graphic Design, Multimedia, Mass Communication, Information Technology, Business, Human Resource Management, Health Science, Public Health Assistance, Hairdressing, and Beauty and Aesthetics. Through a strategic partnership with the University of Portsmouth, MAIC will also soon offer Bachelor's Degree programmes.

At MAIC, we deliver value-based education that equips students with essential knowledge, practical skills, and strong social responsibility. Our mission is to nurture ethical, innovative, and industry-ready graduates who contribute positively to society while supporting sustainable development.

Community engagement is embedded in our culture, from management to students, through active collaborations with non-profit organisations on impactful community service projects. These initiatives help instil compassion, empathy, and social stewardship while encouraging personal growth.

To strengthen employability, MAIC collaborates with industry leaders and institutions through Memoranda of Understanding (MOUs), enriching the curriculum with real-world expertise through talks, workshops, mentorship, and hands-on learning.

MAIC also provides clear pathways for academic and career advancement, including articulation opportunities to MAHSA University and the University of Portsmouth, ensuring students are prepared for lifelong success in an evolving global landscape.

Success Begins with Great Ideas

PRIDE 2.0: Future-Proof Education at MAIC

At MAHSA Avenue International College, PRIDE 2.0 (Professional and Industry Driven Education) is our signature ecosystem that empowers students to excel through a strong foundation of skills, industry exposure, and technology. Built to support MAHSA's "Be More" mission, PRIDE 2.0 goes beyond traditional learning by shaping confident graduates who are ready for the future and the workplace.

Through PRIDE 2.0, students develop essential competencies in leadership, entrepreneurship, innovation and technology (including AI), and sustainability, supported by micro-credentials and digital learning. Students also gain early access to real-world opportunities through PRIDE Connect, including practicums, externships, structured internships, and apprenticeships, ensuring every learner graduates with both academic achievement and industry-ready experience.

STUDENT TESTIMONIALS

Ryan Iskandar

At first I felt nervous to be in new places and meet new people but somehow at MAIC I met lots of friends and lecturers that are nice and helpfull.I get to learn in piece and be myself.Everyone is so positive and always give a hand when I needed.

Jordan Chua

Attending MAIC is a fantastic experience, Here, I make acquaintances from all over the world, which has pushed me outside of my comfort zone allow me to learn more about other cultures alongside cherished friends
