MAHSA Avenue International College

MAHSA Avenue International College (MAIC), a subsidiary of the MAHSA Education Group, is a leading private higher education institution in Malaysia. We offer a diverse range of MQA-accredited programmes, including certificates, diplomas, and SKM-certified courses in Graphic Design, Multimedia, Mass Communication, Information Technology, Business, Human Resource Management, Health Science, Public Health Assistance, Hairdressing, and Beauty and Aesthetics. Through a strategic partnership with the University of Portsmouth, MAIC will also soon offer Bachelor's Degree programmes.

At MAIC, we deliver value-based education that equips students with essential knowledge, practical skills, and strong social responsibility. Our mission is to nurture ethical, innovative, and industry-ready graduates who contribute positively to society while supporting sustainable development.

Community engagement is embedded in our culture, from management to students, through active collaborations with non-profit organisations on impactful community service projects. These initiatives help instil compassion, empathy, and social stewardship while encouraging personal growth.

To strengthen employability, MAIC collaborates with industry leaders and institutions through Memoranda of Understanding (MOUs), enriching the curriculum with real-world expertise through talks, workshops, mentorship, and hands-on learning.

MAIC also provides clear pathways for academic and career advancement, including articulation opportunities to MAHSA University and the University of Portsmouth, ensuring students are prepared for lifelong success in an evolving global landscape.

Success Begins with Great Ideas

PRIDE 2.0: Future-Proof Education at MAIC

At MAHSA Avenue International College, PRIDE 2.0 (Professional and Industry Driven Education) is our signature ecosystem that empowers students to excel through a strong foundation of skills, industry exposure, and technology. Built to support MAHSA's "Be More" mission, PRIDE 2.0 goes beyond traditional learning by shaping confident graduates who are ready for the future and the workplace.

Through PRIDE 2.0, students develop essential competencies in leadership, entrepreneurship, innovation and technology (including AI), and sustainability, supported by micro-credentials and digital learning. Students also gain early access to real-world opportunities through PRIDE Connect, including practicums, externships, structured internships, and apprenticeships, ensuring every learner graduates with both academic achievement and industry-ready experience.

STUDENT TESTIMONIALS

*Nur Aina Balqis
Binti Jalaluddin*

Studying at MAIC has been an eye-opening experience. The lecturers are supportive, and the learning environment is very welcoming. I've gained confidence in both my studies and myself, and I'm grateful for the friendships and opportunities I've found here

*Joenn Kimberline
Binti Johnny*

MAIC has given me more than just academic knowledge. It has helped me grow personally and professionally. I really appreciate how the classes are interactive and how the campus creates a positive atmosphere that motivates me every day

STUDENT TESTIMONIALS

Fatyn

I chose MAHSA Avenue International College for my hair course with Hair Tric because it's very hands-on. They literally teach you from zero until you're confident enough to handle real clients. Everything is practical, easy to understand, and actually useful in real life. Honestly, I'm really glad I chose this place no regrets at all.

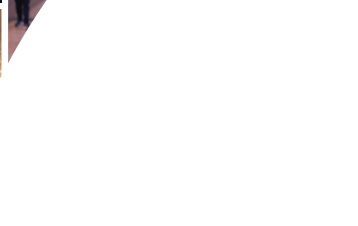

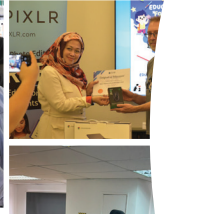

Chan Xu-En

Looking back on my time at Hairtric academy, I realize it wasn't just about the academics, but the person I became along the way. From late-night study sessions to the support of incredible mentors, this journey has taught me resilience and curiosity. I'm walking away not just with a degree, but with lifelong friendships and the confidence to take on the world.
